Sunday's message on the Cursillo weekend focuses on providing new Cursillistas with the knowledge and tools to live out their Fourth Day. It is essential to really understand and follow those Sunday teachings. A lack of understanding of Sunday's message can result in failure to join reunion groups, to develop a Rule of Life, and to establish a relationship with a Spiritual Director, as well as poor attendance at Ultreyas.

A new Cursillista can be easily distracted by the time Sunday rolls around by the intense mental and emotional activity of the weekend, the busy schedule, and the anticipation of going home to loved ones. According to the National Episcopal Cursillo Literature, "the purpose of A Day of Deeper Understanding is to take us away from the attitude that Cursillo is only a wonderful weekend experience and toward the understanding of how the gift of the Cursillo Method provides a structure for a lifetime experience of Christian love and service."

- It aims to encourage:
  - Daily application of piety, study and action
  - Group Reunion participation
  - Attendance at Ultreyas
  - Relationship with a Spiritual Director
- The Day of Deeper Understanding addresses:
  - The role of the Movement in the Church.
  - The structure of the Movement, locally and nationally
  - How to use the Cursillo Method: Group Reunion, Ultreya and Spiritual Direction.
  - The Three Day Weekend and its relationship to the Pre-Cursillo and the Fourth Day.
  - The need for planned, personal contact— Apostolic Action.
  - Effective and responsible Sponsorship.
