

To Prospective Cursillo 129 Team Members:

The purpose of Cursillo is to grow Christ centered leaders in the church. Any time we feel led by God to serve him in a particular ministry event, it's a privilege granted to us by the Lord and thus deserves our strongest commitment. Accordingly, being on a Cursillo team is not only a high privilege but holds a great deal of responsibility. Before you submit your team application we ask that you pray about it to decide if you believe it is truly what God wants you to do. We look forward to working with you and know this will be a fantastic team

All that being said, you need to know that there will be 3 meetings for the team and unless you live out of state you will be expected to attend all the meetings (emergencies accepted of course). The core team will meet in March or April for a day for teambuilding and planning. Full team meetings will be team building in June and working meetings and Rollo presentations in July and August. We will let you know the exact dates in early May so you will be able to schedule your other personal activities and events around the meetings.

We are excited about the weekend and hope you are as well.
